

PMI-MCAC Professional Development Day 2019

Professional Development Unit Reporting Information

Glad you could join us for Professional Development Day 2019! Professional Development Units (PDUs) for all general sessions will be reported for PMI-MCAC members and those who provide a PMI ID at registration as of 11/20/2019. Non-PMI-MCAC members, those who were not able to provide a PMI ID at registration or last-minute attendee substitutes would need to report their own PDUs. Please self-report the break-out sessions you selected to attend.

Note: Batch reporting may not be successful if individual records do not match up with PMI criteria. Unfortunately, this is outside of our purview. If this happens, please check your PDU status at <https://ccrs.pmi.org/claim/history> and report any missing hours, if needed. Thank you for understanding.

Below are itemized session information for reporting. Please use them to report for future recorded sessions as they become available for viewing. Thank you!
